The parties hereby stipulate by counsel, with the Court's approval as indicated by issuance of the attached Order, that Reynolds shall have an extension of time of 30 days to respond to Defendant's Cross-Motion for Summary Judgment up to and including August 9, 2015. The response is currently due July 10, 2015. This extension is being sought because of workload issues, including the unavoidable transfer of assignments and a high volume of other disability matters in federal district court.
